Mission / Vision / Values

The Nation's Preeminent Center for Information, Intelligence and Cyber

MISSION

Provide the required infrastructure, a safe and secure community, and a quality of life that enables Fort Meade to be the Center of Excellence in Information, Intelligence and Cyber.

VISION

Excellence in Installation support through innovation and partnership while fostering balance.

- Highly trained and motivated staff, certified to Army standards and focused on customer service.
- Innovative programs and services developed in collaboration with our customers to help them achieve their goals.
- The finest of infrastructure, well maintained, and rarely, if ever, out of service.
- An installation renowned for high quality in all areas exceeding customer expectations.
- Dynamic partnerships, cooperation and teamwork with individuals, community groups, units, and organizations inside and outside its gates.

VALUES

Partnership – Integrity – Teamwork – Professionalism – Honesty - Customer Service - Transparency

Fort George G. Meade History

Fort Meade became an active Army installation in 1917. The installation was named in honor of General George G. Meade, Civil War Hero at Gettysburg, Pa.

World War I

During World War I, more than 400,000 Soldiers passed through Camp Meade, a training site for three infantry divisions, three training battalions and one depot brigade.

World War II

Fort Meade became a training center during World War II, its ranges and other facilities were used by more than 200 units and approximately 3,500,000 men between 1942 and 1946.

The Modern Era

Fort Meade and NSA combined equals the largest employers in the State of Maryland—it has the has the 3rd largest workforce of Army installations in the continental United States .

Location

Land Acreage
- 5,067 acres

Buildings
- 1,517
- 9,611,120 SF
- Business park environment

Tenant Units/Organizations
- 95
- BRAC growth: 3 (1 = 10)
- Non-BRAC Growth (Cyber Command)

Important Characteristics
- Hwys 295, 32, 175 border installation
- Nature Preserve on south border
- Base divided by MD 175
- Schools: Anne Arundel County

Fort Meade is located between Washington & Baltimore.

Economic Impact
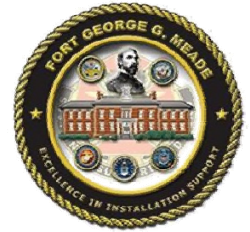

- Maryland's military installations purchased $6.6 billion in goods and services from state companies. Fort Meade/NSA were the largest contributors to this mix.

- Fort Meade is Maryland's largest employer and has the 3rd largest workforce of any Army installation in the U.S.

- 7.5 % of Maryland's economic activity is from military installations—Fort Meade, including NSA, comprises half of this activity.

Housing

Picerne Military Housing

Fort Meade has created a long-term partnership with Picerne Military Housing to finance, design, construct, manage and maintain its family housing inventory.

Residential Communities Initiative Liaison Office

Acts as a link between Picerne and the Army, representing both the Army and the residents in privatized family housing.

UPH Privatization-Pilot Initiative

In an effort to capitalize on the successful privatization of family housing on post, Fort Meade has initiated discussions to privatize single Soldier barracks, NSA barracks, Officer Grade housing, and transitional housing units on post.   This initiative is still awaiting Department of the Army approval.

Temporary Housing

The installation offers family quarters at Abrams hall with 54 rental units. There are 190 single-occupancy quarters at Brett Hall and Kuhn Hall contains seven distinguished visitor quarters.

Barracks

Fort Meade has Permanent Party and Advanced Individual Training barracks. For Permanent Party Service members there are 740 spaces on the NSA Campus and 564 spaces in Freedom Center. There are 685 spaces for DINFOS students.

Family, Morale, Welfare & Recreation

FMWR is a comprehensive network of support and leisure services designed to enhance the lives of soldiers (Active, Reserve, and Guard), their families, civilian employees, military retirees and other eligible participants. Here on Fort Meade, Army FMWR supports all branches of military service.

Recreation & Leisure

- Burba Lake
- Club Meade
- Gaffney Fitness Center

Fort Meade Community Outreach

GOAL:
To ensure service members, families and civilians have the support of the local community and the American people.

OBJECTIVES:
•Foster and sustain effective state and local support to improve the quality of life for service members, families and civilians.

•Promote community understanding of the installation mission and the military way of life while enhancing community support and awareness.

•Utilize current Army and DOD programs and services as well as internal and external committees, working groups, events, to encourage mutual understanding, appreciation and support.

AUDIENCES:
•**External**
- •Local Community (regional)
- •Community Influencers
- •Veterans
- •Elected Officials
- *Quarterly Congressional Staffers Briefing – Next one Oct. 18*
- •Business Community
- •Media
- •Schools

•**Internal**
- •Retirees
- •DOD / Military Leadership
- •Military & Civilian Workforce
- •Family Members

TACTICS:
•Community Resource / Liaison
•Installation Tours
•Community Covenant Council
•Community Organization Participation
•Community Events e-mail /mailing lists
•Quarterly Congressional Staffer Visits
•Service Member Recognition Opportunities
•Speakers Bureau

Mission Growth Initiative

- **Who:** Fort Meade Garrison and Regional Growth Management Committee
  - Committee of individuals who represent the local governments for the 8 counties and 2 cities that are impacted by Fort Meade
  - Anne Arundel, Baltimore, Carroll, Howard, Montgomery, Prince George's, Queen Anne's and Talbot counties, and the cities of Baltimore and Laurel

- **Why**:
  - Improve effectiveness of communications and planning
  - Increase accessibility to regional resources
  - Raise level of public awareness-educated constituency

- **How**: Mission growth initiative (Transportation, business, emergency management and families)

- **What (Results):**
  - Effective and sustainable regional/installation planning
  - Resource savings
  - Improved mission performance

Did You Know?

- There are seven schools on Fort Meade: 1 High School, 2 Middle Schools and 3 Elementary Schools and one Early Education Center.

- Between WWI and WWII the Army tank organization trained here with then LTC Patton and his second in command, MAJ Eisenhower.

- In the 1988 BRAC, Fort Meade had to give up 8,100 acres of land that were eventually transferred to the Department of the Interior.

- In the 1950s, the post became headquarters of the [National Security Agency](#) (NSA). The post was scheduled to close in the 1990s, but was kept open to support the NSA.

- Fort Meade operates 5 Access Control Points with 9 Inbound traffic lanes.

- In 2008 according to the Gannett Fleming Traffic Study there were an average of 34,000 vehicles per day coming onto the installation.

- $4.6 million was spent in FY10/11 to upgrade the infrastructure at 4 access control points to prepare for Automated Installation Entry Technology for 2013 which will allow registered vehicles and drivers to enter the installation through automated systems.

Did You Know?

- During World War I, more than 400,000 Soldiers passed through Fort Meade, a training site for three infantry divisions, three training battalions and one depot brigade.

- The "Hello Girls" were an important part of Fort Meade history. The women served as bilingual telephone-switchboard operators in the U.S. Army Signal Corps.

- Fort Meade became a training center during World War II, its ranges and other facilities used by more than 200 units and approximately 3,500,000 men between 1942 and 1946.

- In 1942, the Third Service Command opened the Special Services Unit Training Center where Soldiers were trained in all phases of the entertainment field. Entertainers, musicians, and others involved in the entertainment industry, including swing-band leader, Glenn Miller, served in Special Services.   Fort Meade is now home to the U.S. Army Field Band, the Army's premier traveling band.
